

» snow »
» mission 2006

The logo features the words "snow" and "mission" in a bold, rounded, sans-serif font. "snow" is in a light olive green color, while "mission" is in a light beige color. To the right of the text is a stylized illustration of a team of four people in winter gear climbing a dark green mountain peak. One person at the top is holding a large flag with a white letter 'A' on a dark green background. Small black chevrons are placed between the words and around the climbing team. The year "2006" is written in white on a dark green base at the bottom right of the illustration.
